Crew	5
Speed	12 / 16.5 knots

Construction	Fibreglass
Classification	Private & Commercial
Class	MCA
Flag	Cayman Island
Engines	2 x MAN 1,300HP

Accommodation and Layout

— TWILIGHT accommodates 10 guests in five en-suite staterooms, with five crew in three cabins.

— Her interior is designed in-house by Sunreef Yachts, with a 13.5 m beam creating huge volume and LED lighting controlled by a smart domotic system.

— The master stateroom sits forward on the main deck with private access to the bow terrace, while the lower deck offers a VIP stateroom and three further double guest staterooms.

— The full-width main deck saloon combines a lounge and dining area, with an 85" TV, a 5.1 audio system and a day head nearby.

— For practicality, the galley and crew mess are set down in the hull with a stairway to the main deck, while the saloon has its own ice makers, fridges, dishwasher and coffee machine for discreet service.

Features

— Exceptional volume: Her 13.5 m beam gives a huge interior volume of 299 GT and multiple spacious guest deck areas.

— Long range: She has a range of approximately 3,750 nm at 10 knots, with 30,000 l of fuel and consumption of 110 l/h at 12 knots.

— Advanced handling: ZF Dynamic Positioning with iAnchor and iDrift is supported by a joystick system, Yacht Controller and twin bow thrusters.

— Bow terrace: The general arrangement shows a large forward lounge with sofas, tables and sunpads.

— Flybridge: It features a four-person jacuzzi, bar with ice maker and fridge, two electric BBQs and a griddle, under a composite hard top with skylights.

— Aft platform and garage: The 1,200 kg hydraulic teak platform works alongside a garage with cradles and a launching system for two jet skis.

— Tender and toys: The inventory includes a Highfield SP520 with Yamaha F100, two Yamaha VX Cruiser HO jet skis and a Seabob F5. A 450 l petrol tank with dispenser handles refuelling, and there is also an electric diving compressor.

— Energy and self-sufficiency: An extended lithium battery package with Night Mode upgrade and five inverters is complemented by two 28 kVA generators, two 280 l/h watermakers and an upgraded sewage treatment plant.

— Navigation and connectivity: She has a Garmin package with four 24" displays, side-view and forward-view sonar, plus Starlink, 5G/LTE and Inmarsat Fleet Xpress.

— Compliance: She is Cayman Islands flagged and adapted to the MCA Small Craft Code (MGN 280 Cat 0).
