Engines	2 x MTU 2000 M91 16V
Generators	2 x Kohler 30 kW

Accommodation and Layout

— MAMA BERTA accommodates 8/10 guests in four en-suite cabins, with 4/5 crew in two bunk cabins.

— Her classic interior pairs high-gloss cherry woodwork and satin-finished inlays with cream carpets and off-white marble bathrooms.

— The main deck owner’s cabin has a dressing table, chaise longue, walk-in closet and second wardrobe, while the lower deck offers a full-beam VIP with spa bath and two spacious twin cabins with Pullman berths and walk-in closets.

— With its three-section doors fully open, the saloon flows from the aft deck into a lounge with large side windows and leather sofas, leading to a forward dining area with an extending table for 6/8.

— For practicality, a central corridor links the main deck spaces, the L-shaped galley has direct access to the saloon, side deck and crew area, and the crew mess houses the laundry.

Features

— Rebuilt engines: Her twin MTU 2000 M91 16V engines have had a full rebuild.

— Stabilisation: Humphree zero-speed electric stabilisers with a lithium battery pack provide comfort underway and at anchor.

— Navigation and handling: Upgrades include Furuno touchscreen displays and Simrad autopilot (2023) and TimeZero navigation (2020), plus bow and Sleipner stern thrusters (2023) and a third mooring station on the aft deck.

— Flybridge: Large custom sunbathing and storage replaces the jacuzzi, and the bimini has integrated lighting. A Besenzoni crane is also fitted here for launching the tender and toys.

— Garage and platform: A hydraulic transom door folds down into a large platform, and the garage has a launching trolley and jet-ski lifting mechanism.

— Tender and toys: She comes with a Williams 395 Jet RIB and a Sea-Doo Spark, both from 2022.

— Outdoor living: The aft deck has a large oval dining table, and the bow has a sunbathing area with pram-hood shade and cushions renewed in 2022.

— Entertainment and connectivity: A Control4 system offers zoned audio, with Sonos, Apple TV and Plex in the saloon, plus an Intellian VSAT (2019) and 4G.

— Self-sufficiency: A Sea Recovery watermaker, Mastervolt inverter and chargers, 12,000 l of fuel and 3,000 l of fresh water support time away from port.
