Generators	2 x Kohler 80 kW, 380 V, 50Hz

Accommodation and Layout

— FUSION accommodates 10/12 guests in five en-suite cabins, with seven crew in a captain’s cabin and three bunk cabins.

— Her contemporary interior combines wood veneer with satin black finishes, aged leather detailing and a cream carpet in the saloon.

— The double master suite with office is located forward on the main deck and has its own en-suite bathroom with full-height wardrobes, while the lower deck offers two VIP double cabins and two twin cabins with additional Pullman berths.

— The saloon is divided into relaxing and dining areas, with seating for 10 at the table and large side windows that create a panoramic effect.

— For practicality, the galley has a cold room of around 2 m³, a dumb waiter and direct access to the port side deck, while the crew laundry has two washing machines and a dryer.

Features

— Distinctive exterior: Her metallic-gold hull and carbon detailing give her an unmistakable presence.

— Performance: Twin MTU 16V2000M94 engines from 2017 give a 21-knot cruising speed and up to 25 knots, with shaft drive.

— Extended cruising: Her 35,000 l fuel capacity includes a 5,000 l increased-range tank.

— Comfort and handling: TRAC STAR stabiliser fins are complemented by 65 hp bow and stern thrusters, with controls at each station.

— Hardtop flybridge: It features a jacuzzi, a teak dining table for 10, a wet bar, a barbecue, sun beds and a drop-down TV.

— Aft garage: There is space for a large tender and two jet skis, with a hydraulic door that converts into a platform and a concealed tender lift.

— Outdoor living: The aft deck has dining, a sofa and a sunbed sofa, while the fore deck has a sofa, sunbathing pad and bimini shade.

— Navigation: The pilothouse has a three-screen Simrad glass bridge, a Böning management system and a gyrocompass.

— Self-sufficiency: Two 260 l/h watermakers, a 5,000 l fresh water tank and a portable diving compressor support time away from port.

— Lloyd’s class and charter history: She is maintained to Lloyd’s class and has a successful charter history.
