Construction	Fibreglass
Classification	Commercial
Class	CE Category B
Flag	United Kingdom
Engines	2 x Volvo IPS 1200 (900hp)
Generators	Kohler 20.5KW

Accommodation and Layout

— This Pearl 62 offers four true double cabins, a rare layout for a yacht of this size, with three guest heads.

— Her interior follows Kelly Hoppen's "Luxury" design scheme, with wood flooring in the saloon and galley, Kelly Hoppen accessories, and tinted hull glass with opening portlights.

— The full-beam owner's suite has its own private stairway from the saloon, while a forward VIP and two further double cabins complete the guest accommodation, all with sprung mattresses and illuminated wardrobes.

— On the main deck, panoramic windows surround the saloon, which flows into an open-plan galley with premium appliances.

— For practicality, a Miele washer-dryer is fitted, and Med-spec air conditioning includes vents in every head.

Features

— Award-winning design: She is Pearl's best-selling model, a 2021 Motor Boat Awards winner and a World Yachts Trophies winner, and was nominated for European Powerboat of the Year 2021.

— Upgraded power: Twin 900 hp Volvo IPS 1200 engines (upgraded from IPS 950) give a 22-knot cruising speed, a 26-knot maximum and a 280 nm range, with 305 hours.

— Seakeeper SK9: The gyro stabiliser provides comfort underway and at anchor.

— Tender and toy capacity: The garage takes a jet ski, Seabob and water toys, while the H&B hi/lo hydraulic platform carries a tender. She is described as the only yacht in her class to carry both a tender and a jet ski.

— Enormous flybridge: It has a hardtop with an electric sunroof, a dining area, a wet bar with Kenyon BBQ, a fridge and ice maker, an aft sun pad and an extra seating area with pouffe.

— Foredeck lounge: The foredeck has a sun pad, seating with a folding teak table and a Bedouin-style bimini.

— Easy handling: IPS joystick control, a bow thruster and Interceptor trim tabs are complemented by a semi-electric side door from the lower helm.

— Navigation: Four Garmin screens are fitted, with a 48" open-array radar and AIS.

— Upgraded systems: A 20.5 kW Kohler generator (upgraded from 13.5 kW) is complemented by an Opacmare hydraulic passerelle, Lewmar stern winches and three CCTV cameras.

— Turnkey charter yacht: She has had one owner from new, is UK flagged and configured for immediate commercial operation, and is available for viewing in Puerto Portals.

DISCLAIMER

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.
