Flag	German
Engines	2 x Caterpillar C32
Generators	Kohler 27kW & Kohler 20kW

Accommodation and Layout

— EASY accommodates eight guests in four en-suite cabins, with three crew in the bow.

— Her classic Sanlorenzo interior combines satin American walnut joinery with grey fabric upholstery, beige carpet, white lacquered ceiling panels and panoramic side windows.

— On the lower deck, the full-beam master has a king-size bed, writing desk, walk-in closet and marble en-suite, joined by a starboard VIP with queen-size bed, a forward twin to port and a forward double to starboard.

— The bright main saloon has a large U-shaped sofa for up to 10 guests and a forward dining area with a Trussardi leather table on parquet flooring.

— For practicality, the enclosed galley includes a crew mess with direct access to the starboard deck, and reverse-cycle air conditioning runs throughout, including the crew cabins.

Features

— Silent stabilisation: Humphree electric fin stabilisers (2022) have a dedicated Mastervolt lithium battery pack, so they can run at anchor without the generator. Humphree Interceptors complement them.

— Performance: Twin Caterpillar C32 V12 engines with ZF V-drives deliver up to 28 knots. They have 1,790 hours as of June 2026, with a full service by official Caterpillar agents in March 2025.

— Beach club: The teak-laid hydraulic bathing platform converts into a beach club with bimini and sun loungers, and has an integrated tender lift.

— Flybridge: It offers a sofa and coffee table, a large Paola Lenti sunpad with backrests, individual sunbeds, and a bar with a beer tap and cold filtered water.

— Outdoor dining: The aft cockpit has a natural teak table with six Dedon director’s chairs.

— Bow lounge: The bow has sunbathing and seating areas with its own bimini and sound system.

— Easy handling: A Yacht Controller third station, hydraulic bow and stern thrusters, and ZF electronic controls make manoeuvring simple.

— Entertainment: An integrated Sonos system with Bose speakers covers the saloon, flybridge, aft deck and bow, and a retractable 42" LG TV sits in the saloon.

— Self-sufficiency: A 20 kW night generator, a 240 l/h Idromar watermaker and an Aarke water filtration system support time at anchor.

— Well cared for: She has a flybridge bimini (new 2023) and exterior covers (new 2022), comes with a 2018 Williams 345 tender, and has year-round care from a leading Mallorca company.
