Speed	18 / 21 knots

Construction	Fibreglass
Classification	Private
Class	RINA
Engines	2 x Volvo Penta D13 IPS1200
Generators	2 x Kohler

Accommodation and Layout

— The standard WHY200 accommodates eight guests in four cabins, with five crew in a captain’s cabin and two twin cabins.

— Her interior is by Vallicelli Design Studio with Ferretti Group, using parquet in the salons and carpet in the cabins, while woods, fabrics, leather and veneers are chosen by the buyer from the builder’s selection.

— The owner’s suite on the main deck has two mirrored bathrooms, each with a sink, WC, bidet and shower, while the lower deck offers a VIP cabin and two guest cabins, each with its own bathroom.

— Guests can relax in the main salon, which has a day head nearby, or in the upper deck sky lounge with its comfortable sofa and TV, which leads to the wheelhouse.

— For practicality, the Ernestomeda galley and crew mess are on the lower deck in the crew area, all beds have storage underneath, and the guest cabins have closets.

Features

— Quad IPS propulsion: Four Volvo Penta D13 IPS1200 engines of 900 mhp each give an 18-knot cruising speed and a 21-knot maximum.

— Range: With 12,000 l of fuel, she has a range of 390 nm at cruising speed or 1,000 nm at 10 knots.

— Comfort and handling: Two electric stabiliser fins work underway and at zero speed, and Volvo Penta EVC, two 15 kW bow thrusters and a joystick make for easy manoeuvring.

— Fold-down terraces: Lateral hull platforms open out to create large teak bathing areas.

— Side garage: The starboard garage has an electro-hydraulic slipway and crane for a tender of up to about 4.3 m, with storage to port.

— Multifunctional stern platform: This hydraulic unit serves as a gangway, swim ladder and loading platform, with a 350 kg capacity and 3 m reach.

— Upper deck living: The teak-laid aft cockpit combines a lounge area and sofa with a fixed bar and concealed grill.

— Integrated bridge: The wheelhouse has four vertical 16" displays, a HALO radar, and integrated alarm and monitoring systems.

— Entertainment: A media server with Plex and Spotify feeds TVs of up to 55" and a 5.1 home theatre in the main salon, supported by five internet access points.

— Certification: She is built under RINA surveillance to CE Design Category A, as a recreational yacht.
